Although this program is free, you'll need to be an Amazon Prime member to take advantage of it. If you're not a member you can sign up for a free trial of Amazon Prime or wait until they offer free subscriptions, which they do from time to time for special groups of people like moms or students.

## Apa References Guidelines

References provide the information necessary for readers to identify and retrieve each work cited in the text. Check each reference carefully against the original publication to ensure information is accurate and complete. Accurately prepared references help establish your credibility as a careful researcher and writer. Consistency in reference formatting allows readers to focus on the content of your reference list, discerning both the types of works you consulted and the important ...

Publication Manual. Basic Form. APA style dictates that authors are named with their last name followed by their initials; publication year goes between parentheses, followed by a period.

### **Reference List: Articles in Periodicals // Purdue Writing Lab**

APA citation basics When using APA format, follow the author-date method of in-text citation. This means that the author's last name and the year of publication for the source should appear in the text, like, for example, (Jones, 1998). One complete reference for each source should appear in the reference list at the end of the paper.

### **In-Text Citations: The Basics // Purdue Writing Lab**

The word References should appear at the top of your reference list, and it should be centred and bolded on the page. Titles should be written in sentence case, that is, capitalize the first word and only subsequent proper nouns. If the title is broken up by a colon (:), capitalize the first word after the colon.
