Exploring Journalism and the Media (with CD-ROM) by Lynch ...

While many aspects of journalism have been touched, social media has brought to light three fundamental areas within journalism: the public's trust of the media; the importance of local news organizations and their likelihood to remain in print; and the manner in which news is and will be covered using social media.

The Social Media Revolution: Exploring the Impact on ...

Americans have high aspirations for the news media to be a trusted, independent watchdog that holds the powerful to account. But in a new Gallup/Knight study, we've found the gap is growing between what Americans expect from the news and what they think they are getting.Perceptions of bias are increasing too, which further erodes the media's ability to deliver on its promise to our democracy.

Americans are losing faith in an objective media. A new ...
