### **Guardians Of The Galaxy Rocket**

Rocket was driven by money before he joined the Guardians of the Galaxy and that trait still remains with him, but he has shown himself to be more compassionate and less greedy as time goes on. Although he does not resort to stealing as like he used to and opts for more acceptable methods by noting if they saved the galaxy twice, they could increase the fee for their services.

about. Though he may look like a common Earth raccoon, the temperamental Rocket is in fact a one-of-a-kind genetically produced being, originally created on the planet Halfworld. This diminutive, tough-talking creature is a master pilot, engineer, marksman, and weapons specialist. Previously a small-time thief along with his partner Groot, Rocket lends his genius and heavy artillery to the Guardians of the Galaxy, unable to resist the call of adventure (and plunder).

Guardians of The Galaxy's Rocket Raccoon has been the author of many incredible quotes in the MCU that will stay with us forever. Next to his arboreal assistant, Rocket Raccoon is without a doubt the most distinct member of the Guardians of the Galaxy. It's not every day one finds a wise-cracking, machine-gun-toting, cybernetically-enhanced raccoon at the edges of space, and the MCU did a fantastic job bringing him to life, especially with his spitfire personality.
