distilling moonshine in the Kentucky hills and basic concepts and practices, to building a still and making your first batch.

## **The Home Distiller's Workbook | Uncrate**

Because, despite its growing popularity, home distilling is illegal. But not prohibitively so, per se. Much like home brewing proved a gateway for future microbrewers into their craft, a lot of the main proponents of the growing artisanal distilling movement cut their teeth on small-batch home distilling, however illicit.
