Paper Love Searching For The

"In Paper Love, Sarah Wildman isn't only on a quest to discover the fate in Nazi Germany of a young and brilliant woman whose moving letters she finds among her beloved grandfather's papers after his death—though that quest is fascinating and suspenseful. She also draws narrative drama from wrestling with the genre itself: as she knows, and as the many guides whom she gets help from remind her, the pursuit of family Holocaust 'stories that have no ending' has become something of an ...

Expectations about dating and finding love. When we start looking for a long-term partner or enter into a romantic relationship, many of us do so with a predetermined set of (often unrealistic) expectations—such as how the person should look and behave, how the relationship should progress, and the roles each partner should fulfill.
