Narratives: Suffering, Healing, and the Human Condition. New York, NY: Basic Books; 1989:xi-xii. Reprinted with permission. The patient was a pathetic seven-year old girl who had been badly burned over most of her body. She had to undergo a daily ordeal of a whirlpool bath during which the burnt flesh was tweezered away from her raw, open wounds.

## **Illness Narratives: Suffering, Healing, And The Human ...**

Illness Narratives: Suffering, Healing, and the Human Condition. Author: Arthur Kleinman. Synopsis. Why is there such a wide gulf between the concern of patients about their illness, and the primary focus of doctors on disease? Why do physicians commonly show an 'overriding interest in disease' and exhibit a 'disregard of illness' (page 131).

## **The Illness Narratives - The Doctors Bookshelf**

In The Illness Narratives, Arthur Kleinman distinguishes illness, disease, and sickness, as they pertain to suffering and healing. He describes illness as the "innately human experience of symptoms and suffering"

Healing, and the Human ...**

One of the world's leading researchers in  
the area of cross-cultural psychiatry and  
global mental health, Arthur Kleinman,  
has made it known that chronic mental  
illness isn't just a disease but how it  
affects us and the people around us.  
From Kleinman's book, The Illness  
Narratives: Suffering, Healing and the  
Human Condition, makes it clear that  
experiences of illness can be told  
through personal narratives.

that such stories – of those who, as Susan Sontag memorably said, hold citizenship in the kingdom of the ill’, for ‘illness is the night-side of life’ – beat the bounds of the human condition.

## **NARRATIVES OF HEALTH AND ILLNESS - Arts and Humanities as ...**

A third benefit of illness narratives is that creating a story that others can read or hear reduces the isolation that ill people often experience. Medical care is almost always delivered to individuals, sometimes with a family member in attendance, but rarely in the company of other people who have the illness.
